## Shop Local and Celebrate the Magic of Christmas in Dorchester

As the festive season draws near, Dorchester begins to sparkle. There's something truly special about this time of year in our town — a sense of togetherness, tradition, and community spirit that can only be found when we come together to celebrate locally.

This Christmas, let's make it our mission to support the wonderful independent shops, cafés, and businesses that give Dorchester its unique charm. Every purchase from a local maker, every coffee enjoyed in a family-run café, and every meal shared in a town restaurant helps to keep our community thriving. Local businesses don't just offer beautiful gifts and warm welcomes — they're the heart of Dorchester, employing local people and adding personality to our high street.

Beyond shopping, the season brings plenty of opportunities to soak up the festive atmosphere. Wrap up warm and join in the Christmas Cracker, enjoy carols in the Borough Gardens or support one of the many charities working to ensure everyone can enjoy the festivities.

This year, why not make Christmas in Dorchester a celebration of everything local? Discover the joy of finding the perfect handmade gift, share a toast with friends in a cosy pub, and make memories that will last long after the decorations come down. Dorchester is full of Christmas spirit — and it's made even brighter when we support the people and places that make our town feel like home.

## Business & Charity:

## A Lifeline Collaboration Taking Flight in Dorset

In a county where traditional values meet community resilience, Dorset's business community continues to prove that meaningful collaboration can make a life-saving difference. One shining example is the partnership between *Blanchards Bailey LLP* and the *Dorset and Somerset Air Ambulance (DSAA)*, highlighting how local businesses and charitable causes can work together for the greater community good.

For businesses like *Blanchards Bailey*, supporting local charities is more than philanthropy. It strengthens ties and builds shared purpose. Looking ahead, the firm continues its spirit of giving through its support of *Dorset County Hospital Critical Care Appeal* and backing its *Arts in Hospitals* initiative, which uses carefully curated artworks to lift the spirits of patients, families and staff.

Over the past year, the Dorset law firm – rooted in the county since 1924 – has mobilised its team, clients and partners to raise over £5,000 for the DSAA through a series of community events. These included the DSAA's *Jail or Bail fundraising campaign*, which saw local CEOs' 'imprisoned' in Shepton Mallet Prison for a night; the summer *Twilight 5K* run, and Blanchards Bailey's *Barrow of Booze Raffle* held at the Dorset County Show. The raffle drew crowds, with lucky winner *John Chambers* taking home a wheelbarrow brimming with wine, beer, spirits and festive cheer.

This Christmas, as seasonal goodwill fills the air, collaborations like these remind us what Christmas is truly about – **community, generosity and helping others.**

Behind all the fun lies a vital mission: Operating 19 hours a day, 365 days a year, the DSAA provides critical pre-hospital emergency care across the southwest. With no direct government funding and each mission costing around £3,500, community-driven fundraising is not just appreciated but essential.

# THE WONDER OF CHRISTMAS: GOD WITH US

Each year, as lights sparkle on our streets and familiar carols fill the air, we are reminded of a truth far more glorious than any festive tradition — God came near.

At Christmas, we celebrate the moment when heaven touched earth — *when the eternal Word became flesh and dwelt among us* John 1:14. In a humble stable, through a newborn's cry, God's love broke into our broken world.

The message of Christmas is not merely about nostalgia or generosity; it is about Emmanuel — God with us. It's about the God who didn't stay distant but entered our story to redeem it. Amid the rush of wrapping paper and shopping lists, this truth quietly calls us back to wonder: the Creator stepped into creation, not with fanfare or force, but with humility and grace.

Maybe this Christmas, you need to be reminded that God is still with you — in the quiet, the chaos, and the questions. His presence brings peace to anxious hearts and light to weary souls.

As we gather with friends and family, may our celebrations echo the angel's announcement: *"Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Saviour has been born to you; he is the Messiah, the Lord."* Luke 2:10–11

This is the heartbeat of Christmas — Jesus, our Saviour, God with us.

May this precious time of year be filled with Joy, Hope, Peace and Love for you all.

## Dorchester to Unveil Statue Honouring Writer Sylvia Townsend Warner

A long-overdue tribute to the remarkable Sylvia Townsend Warner will be unveiled in the heart of Dorchester at 1pm on Sunday 14th December, outside Goulds Fashion Store, as part of the Dorchester Christmas Cracker celebrations.

The new statue has been commissioned by the charity Visible Women UK, which campaigns to redress the gender imbalance in public statues across the country. The unveiling will be conducted by the charity's patron — acclaimed author Tracy Chevalier, whose novels include *Girl with a Pearl Earring*.

Dorchester's literary heritage has long been defined by the legacies of Thomas Hardy and William Barnes. Now, with this new statue, Sylvia Townsend Warner — one of the 20th century's most original and influential writers — will rightfully take her place among them.

Townsend Warner was not only a pioneering novelist, poet, and short-story writer but also a woman of great personal courage. She lived openly for nearly forty years in a same-sex relationship with the poet Valentine Ackland, at a time when such openness was rare and often risky. Her life and work continue to stand as a powerful example of independence, authenticity, and quiet defiance of convention.

The campaign to honour Townsend Warner was funded entirely by public donations, with the writer chosen following a public vote.

The statue will be Dorchester's first ever monument dedicated to a non-royal woman, marking a significant moment in the town's cultural history.

The statue has been created by sculptor Denise Dutton, the same artist commissioned by Visible Women UK to sculpt the statue of Mary Anning, unveiled in Lyme Regis in 2022.

## CAROLS IN THE GARDENS

We're rounding off a year of community events and festivals in Borough Gardens with

Carols in the Gardens on Thursday 18th December. With music by the Durnovaria Silver Band and the Encore Singers, it's a magical opportunity for all the community to start the Christmas celebrations with traditional carols, refreshments and

the bandstand swathed in Christmas lights. This popular event, organised by the Friends of Borough Gardens and the Town Council, attracts hundreds of people. The music starts at 6.30pm and last for about an hour, and it's free.

*So do come along – wrap up warm and bring a torch!*
